

NameCoach: Add to a Moodle course

Last Modified on 12/12/2023 4:46 pm EST

NameCoach is an online platform for **creating and sharing name pronunciations**. This article explains how to **add a NameCoach activity to your Moodle course** to help teachers and students learn how to say each other's names and [create an inclusive and supportive classroom environment](#).

Before you start, you will need:

- An **Instructor of record** or **Non-editing teacher role** in a Bryn Mawr Moodle course

1. Log into your Moodle course and switch **Edit Mode** on.
2. Click  **Add an activity or resource** in the section where you want to put the NameCoach activity.
3. Click the **Activities** tab, then click **NameCoach**.

4. Enter an **Activity name** (e.g., "NameCoach," "How do you pronounce your name?").
5. Click **Save and return to course**

You and your students can now click on the **NameCoach activity** to record your name and listen to other participants' names. (See [NameCoach: Record and listen to names in Moodle](#).)
