

NameCoach: Add to a Moodle course

Last Modified on 08/18/2022 2:32 pm EDT

The NameCoach activity allows participants in a course to record the pronunciation of their name for other participants to listen to, helping teachers and students learn each other's names quickly. Learning correct name pronunciations helps [create an inclusive and supportive classroom environment](#). □

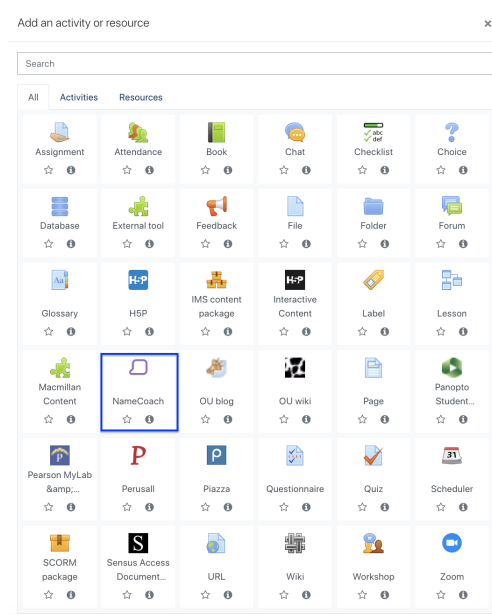

Before you start, you may need the following:

- a teacher role in a Bryn Mawr Moodle course (i.e., Instructor of record, Other editing teacher, Non-editing teacher)

1. Log into your course and click **Turn editing on** (if it isn't already).
2. Go the section where you to want to put the NameCoach activity, and click **Add an activity or resource**

3. Select **NameCoach** from the Activities list.

4. Give the activity a name (e.g., "Record your name") and click **Save and return to course**.
