# Network Registration

Last Modified on 05/02/2024 10:29 am EDT

The following applies to **the College's wired network**. For access to Wi-Fi, see Eduroam: Connect to College Wifi.

---

**Before you start**, you will need the following:

- a Bryn Mawr College email address
- a laptop or desktop computer with an ethernet port[1]

  [1]*this may require an adapter for some devices*
- an ethernet cable

---

**Alumni or Visitor?** Learn how to connect to Eduroam

## Step-by-step instructions

1. Connect your device to an active ethernet port

   **For most College-provided desktops, this step has already been done.**
2. Navigate to netreg.brynmawr.edu
3. Select your **role** at the College
4. Enter your **Bryn Mawr email address** and **password**
5. Select **who owns** the device
   - For **College-owned** devices, enter the **asset tag** from the green sticker on your device.
6. Select your **role** at the College
   - For **Students**, select your **expected graduation year**
7. Enter a **brief description** of your device
8. Read through the **Acceptable Use Policy**
9. Click **Register**
10. **Shutdown** your device
11. Wait **5 minutes**
12. Power on your device
