Last Modified on 08/30/2022 1:34 pm EDT

Duo is used alongside your **College email and password** to provide Two-Factor Authentication security to all College accounts. This **ensures your account is secure**, even if your password becomes compromised.

**Before You Start**, you may need access to the following:

Once enrolled, you can manage your Duo devices and settings via [duo.brynmawr.edu](http://duo.brynmawr.edu).

**Enroll in Duo**

3. Follow the instructions on the Duo welcome screen to enroll
