

Software for Personal Devices

Last Modified on 05/16/2024 11:12 am EDT

The following article applies to **personal devices**. For College devices, see [College-provided software](#).

Before you start, you will need access to the following:

- a [Bryn Mawr College account](#)
- a computer with internet access

Warning: Access to the following software is dependent on your **current enrollment or employment status**.

Remote access

Most [College software](#) can be accessed remotely from personal computers using **LabStats** or **Apporto** -- try them out!

- [LabStats: Remotely Connect to a Lab Computer](#)
- [Apporto: Remotely Connect to a Virtual Lab Computer](#)
