

# Adobe Creative Cloud: Personal Devices

Last Modified on 05/02/2024 2:13 pm EDT

This article pertains to **Adobe Creative Cloud products** on **personal** devices. For access on College computers, see [Adobe Creative Cloud: College Computers](#).

**Warning:** You must be a **full-time Faculty or Staff** to access Adobe products on a personal device.

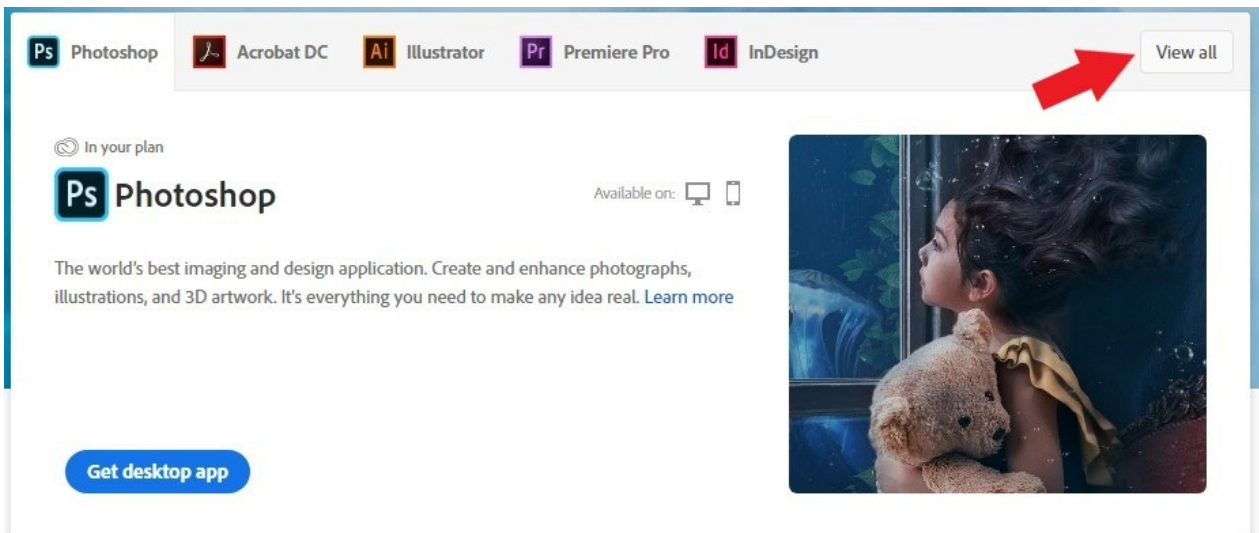

## What is Creative Cloud (CC)?

*Creative Cloud* is Adobe's suite of productivity software which includes: Photoshop, Premiere, Lightroom, and more.

**Note:** You can learn more at [Adobe Creative Cloud](#).

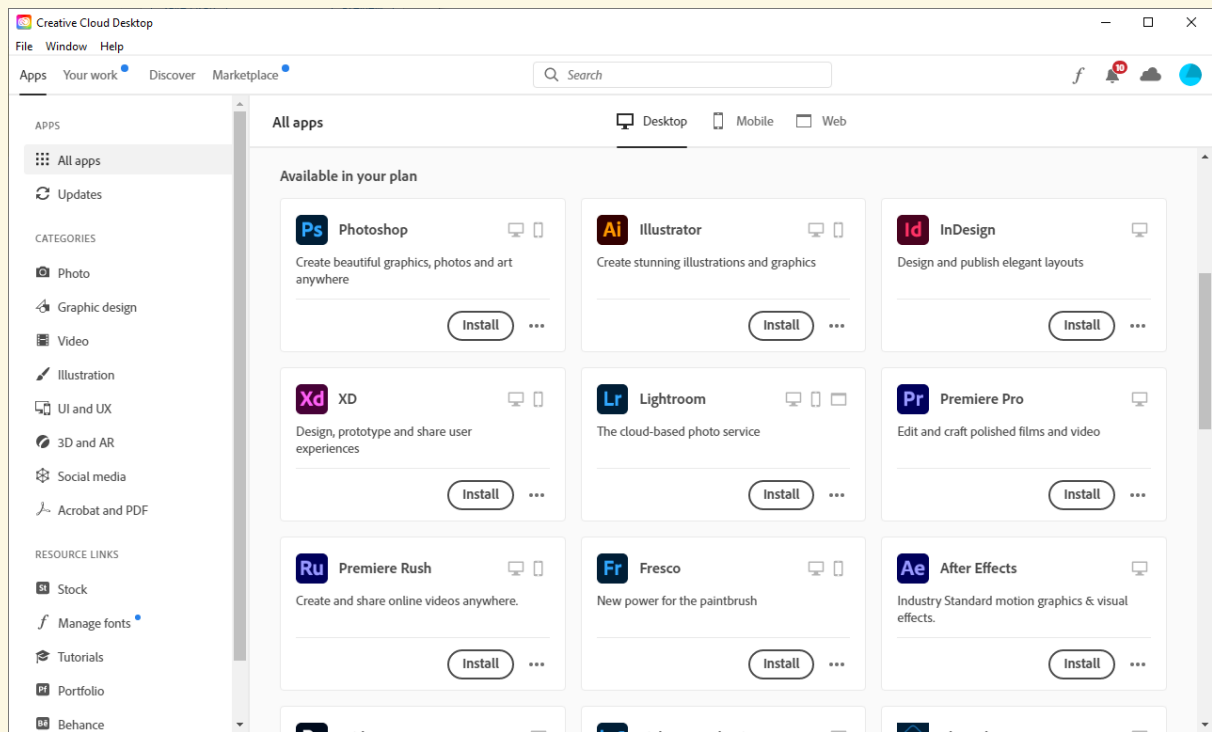

## Install Adobe CC software

1. Open **Google Chrome**
2. Navigate to [Adobe's Creative Cloud Portal](#)
3. Enter your **College email address** and click **Continue**
4. Login with your **College email** and **password**
5. Click **View all**

6. Find your desired application and click **Install**

**Attention:** If you want to install **multiple applications**, LITS highly recommends installing **Adobe Creative Cloud** first. Adobe Creative Cloud can install any available Adobe product and keeps them up-to-date!

## Update Adobe CC software

## If Adobe Creative Cloud is installed...

Windows (☰)

macOS (🍏)

## If Adobe Creative Cloud isn't installed...

1. Open the application you'd like to update
2. In the top-left corner, click **Help**
3. Click **Check for Updates**
4. Follow the **on-screen steps** to download and install the latest updates

## Questions?

If you have any additional questions or problems, don't hesitate to reach out to the **Help Desk!**

**Phone:** 610-526-7440 | [Library and Help Desk hours](#) ☐

**Email:** [help@brynmawr.edu](mailto:help@brynmawr.edu) | [Service catalog](#) ☐

**Location:** Canaday Library 1st floor
