

# Drupal - Basic: Biography Listings in Drupal

Last Modified on 11/13/2023 3:06 pm EST

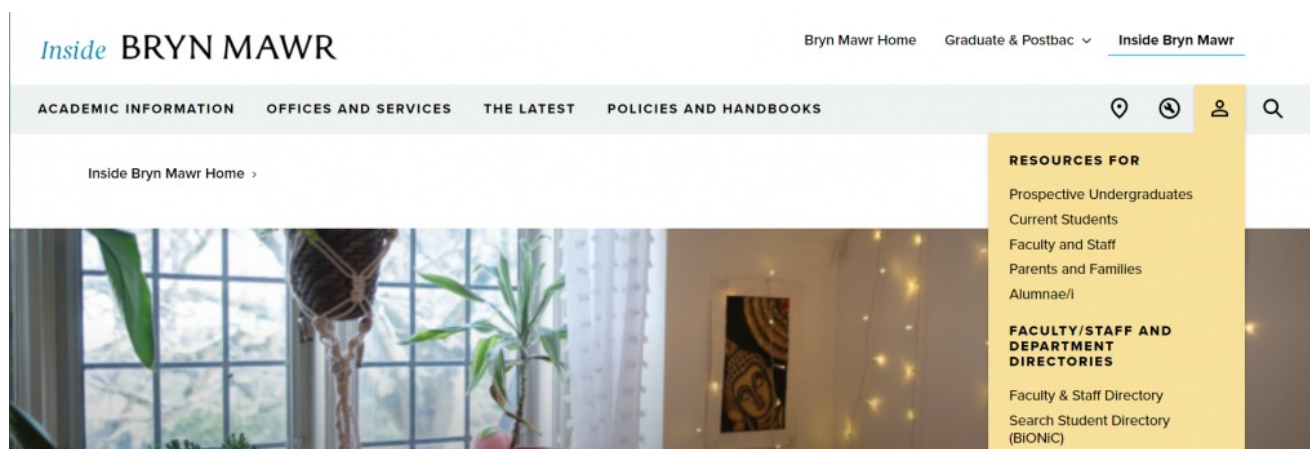

## People Lists

**People Lists** are a Flexible Content item. [You can read more about how to create one here.](#)

People Lists are lists of Bryn Mawr employees associated with their respective department(s) or office(s). These lists combine basic information about an employee from Bionic (preferred name, title, phone, email, office, etc) with optional information each employee can add in their Biography (photo, office hours, CV, degrees, research interests, etc). People Lists can be added to individual pages and are populated by the same data that creates the central Faculty and Staff Directory for your convenience.

## Finding People

In our new site, you can find the central listing page by switching to Inside Bryn Mawr on the top right and then hovering over the person icon and selecting Faculty and Staff Directory.

This is the site-wide Faculty and Staff Directory page where you can search for a person by name or department.

TYPE	DEPARTMENT/SUBDEPARTMENT	SEARCH
<input type="text" value="- Any -"/>	<input type="text" value="- Any -"/>	<input type="text" value=""/> <input type="button" value="CLEAR"/>

The results looks like this

<b>Eva Agbada</b> > Dance Instructor	<b>DEPARTMENT</b> <a href="#">Arts Program</a>	<b>CONTACT</b> ✉ <a href="mailto:eaqbada@brynmawr.edu">eaqbada@brynmawr.edu</a> 📍 Goodhart	
<b>Alfonso Albano</b> > Marion Reilly Professor Emeritus of Physics	<b>DEPARTMENT</b> <a href="#">Physics</a>	<b>CONTACT</b> ✉ <a href="mailto:aalbano@brynmawr.edu">aalbano@brynmawr.edu</a>	
<b>Dustin Albert</b> > Assistant Professor of Psychology	<b>DEPARTMENT</b> <a href="#">Child and Family Studies</a> <a href="#">Health Studies</a> <a href="#">Neuroscience, BS-Co</a> <a href="#">Psychology</a>	<b>CONTACT</b> ✉ <a href="mailto:walbert@brynmawr.edu">walbert@brynmawr.edu</a> ☎ 610-526-7979 📍 Helman 'Y Coed 308	

The Faculty and Staff Directory lists each person and each individual's name links to their detailed Biography page. Click on an individual's name in the list to view their full Biography Detail Page.

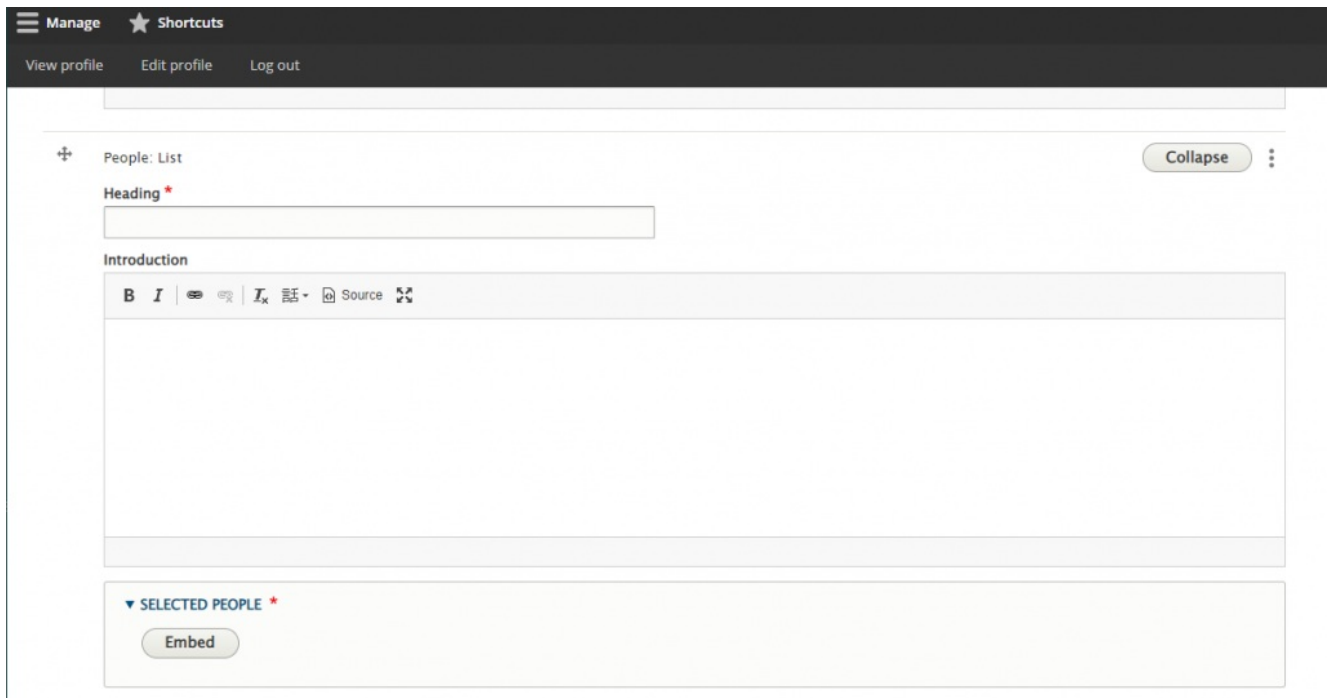

## Adding or Editing Custom Directory Listings

To have a People List specifically for your department, you can make a Basic Page and add People List, or multiple People Lists if you need to categorize your people by ad-hoc groups such as Faculty and Staff.

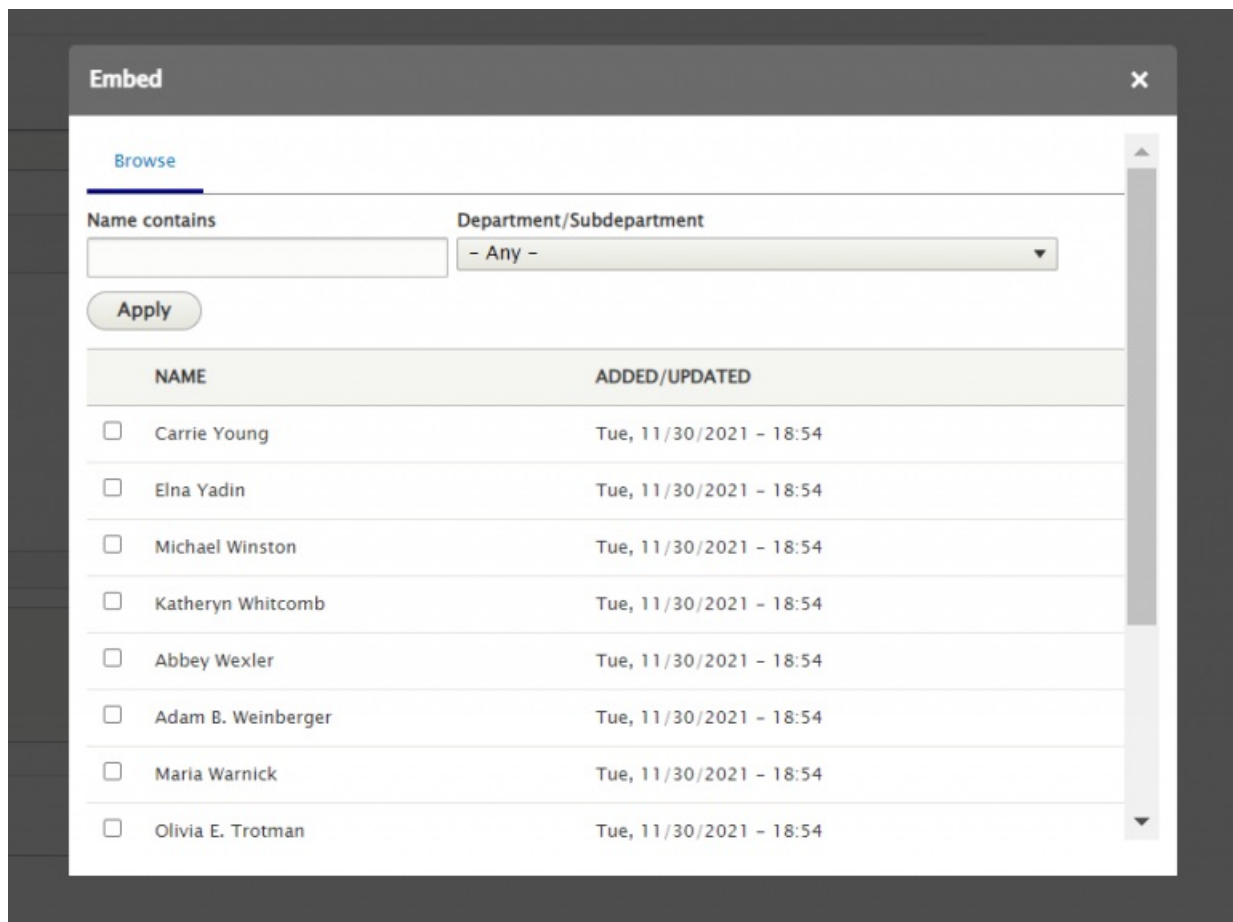

Note: Data that comes from Bionic [may only be updated in Bionic by HR or the Provost's Office](#).

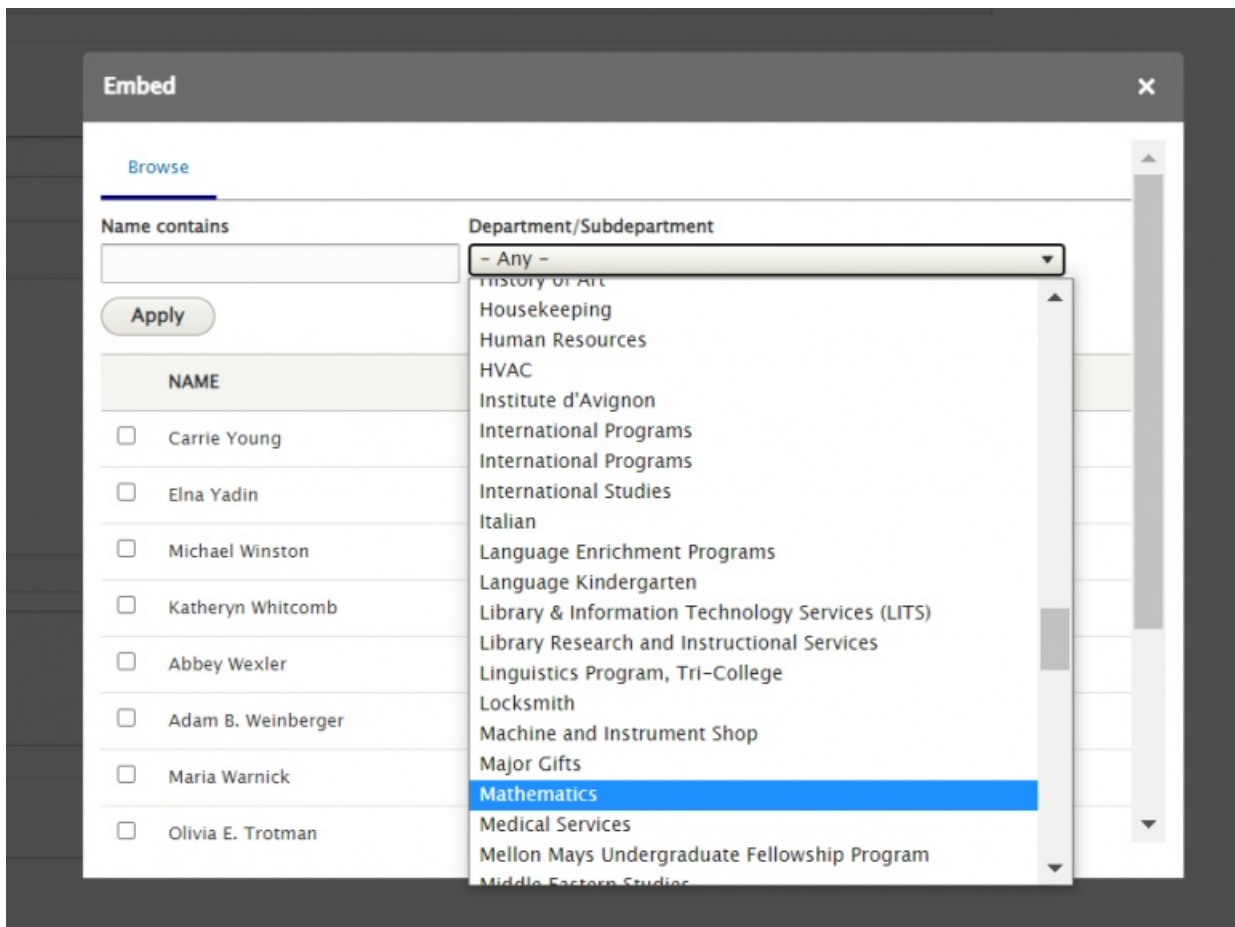

## People: List

This Flexible Content Item allows you to curate a list of people to make a department or lab people page. It works similarly to how you can select News Items where you can only make selections on one page, embed them and then select more from a different page of the people picker pop-up

You can search for people by their name, or department

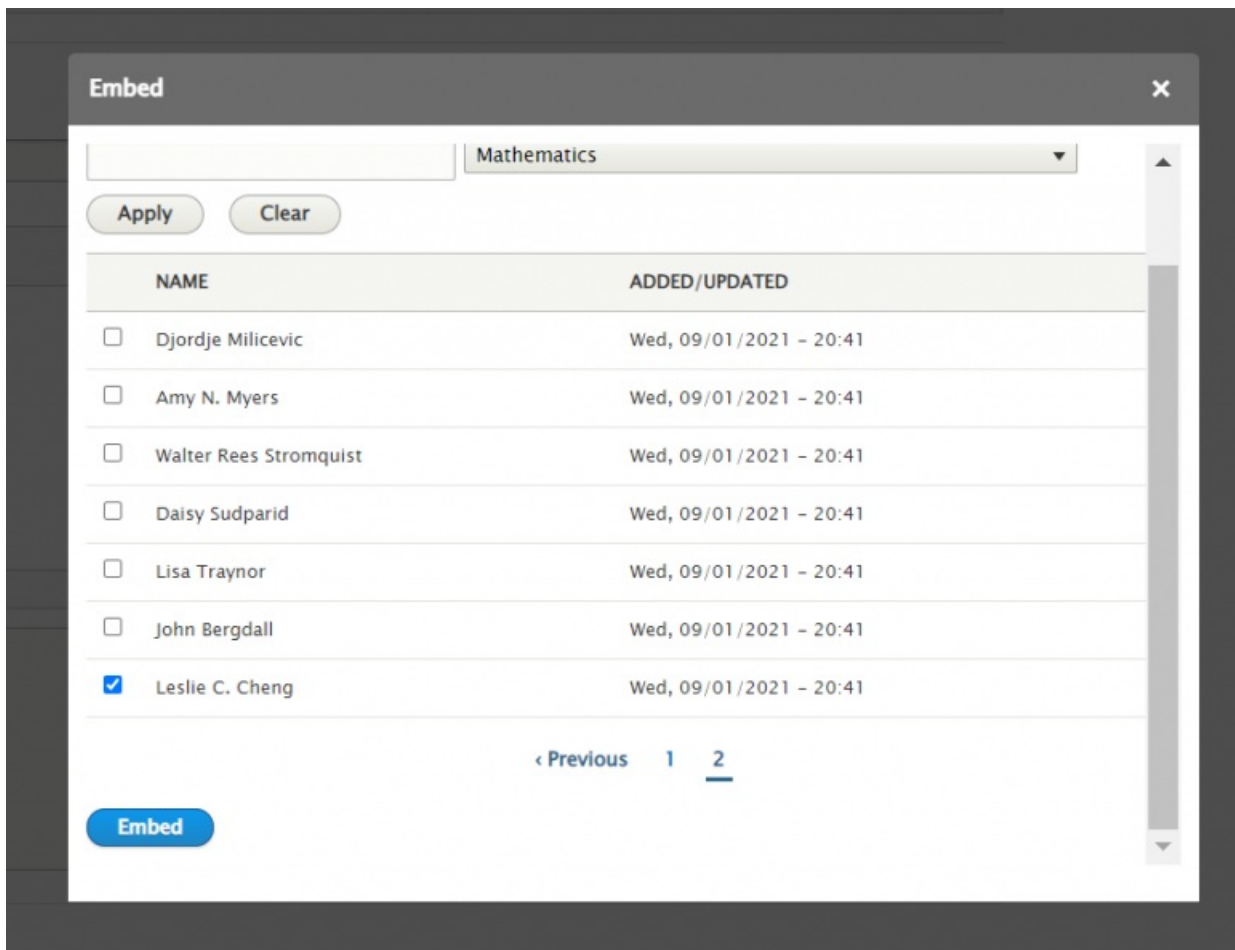

Just remember to hit Apply once you have put in your search criteria in the filters at the top

The screenshot shows a dialog box titled "Embed" with a close button (X) in the top right corner. It contains a list of ten entries, each with a checkbox, a name, and a date. The entries are:

Checkbox	Name	Date
<input type="checkbox"/>	Ziva Kaye Myer	Tue, 11/30/2021 - 18:54
<input type="checkbox"/>	Erica J. Graham	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Helen G. Grundman	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Rhonda J. Hughes	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Peter G. Kasius	Wed, 09/01/2021 - 20:41
<input checked="" type="checkbox"/>	Paul Melvin	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Djordje Milicevic	Wed, 09/01/2021 - 20:41
<input checked="" type="checkbox"/>	Amy N. Myers	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Walter Rees Stromquist	Wed, 09/01/2021 - 20:41
<input type="checkbox"/>	Daisy Sudparid	Wed, 09/01/2021 - 20:41

At the bottom center, there are pagination controls: "1" (underlined), "2", and "Next >". At the bottom left, there is a blue button labeled "Embed". A vertical scrollbar is on the right side of the list.

Once you have embedded people from one page of the picker, you will have to click Embed and then reapply the filters to find more folks on the next page of the picker for your search criteria

You can also drag and drop your selections to reorder folks

You can also use the Remove button to remove that person from the list you are creating. Note: This will only delete them from the People List. They will still appear on other departments' listings if applicable and in the Faculty and Staff Directory.
