

# Drupal - Basic: Events in Drupal

Last Modified on 04/30/2025 2:13 pm EDT

If you are confused or need help with submitting your event, please reach out to Communications.

"Events in Drupal" are advertisements of your event on the college website and also in the Daily Digest.

Please note you will still need to [book your room through the Conferences and Events](#) department. This step should be done first to ensure you have your space reserved.

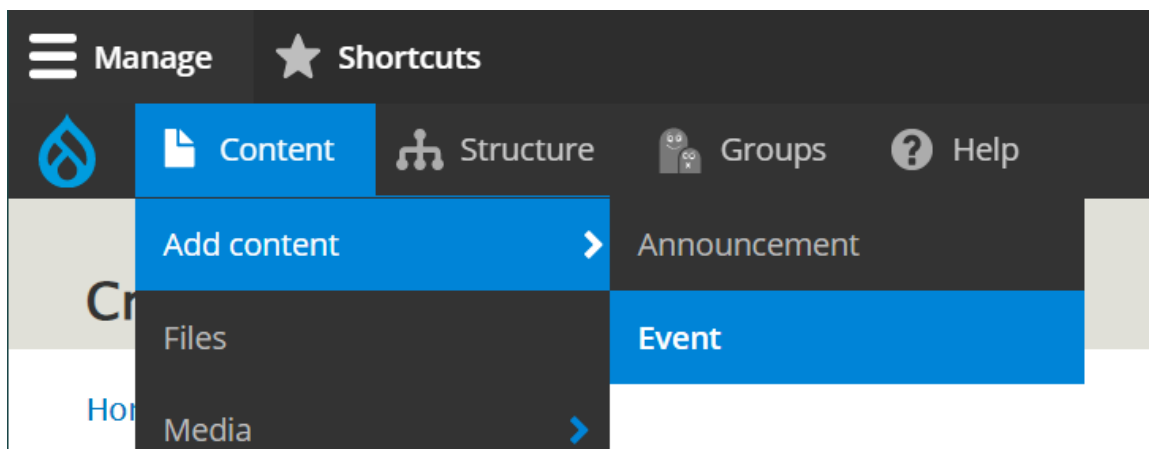

To ensure successful promotion of your event on the website and in the daily digest, we recommend securing your event space and completing the Drupal event submission form at least two weeks in advance of your event.

If you need help creating a communication plan for your event, please contact [communications@brynmawr.edu](mailto:communications@brynmawr.edu).

## Submitting an Event:

### Drupal Users:

Content->Add Content->Event and fill out the form.

OR

On your Group Page, find the Submit Content area on the right and click on the Event link and then fill out the form.

## Submit content

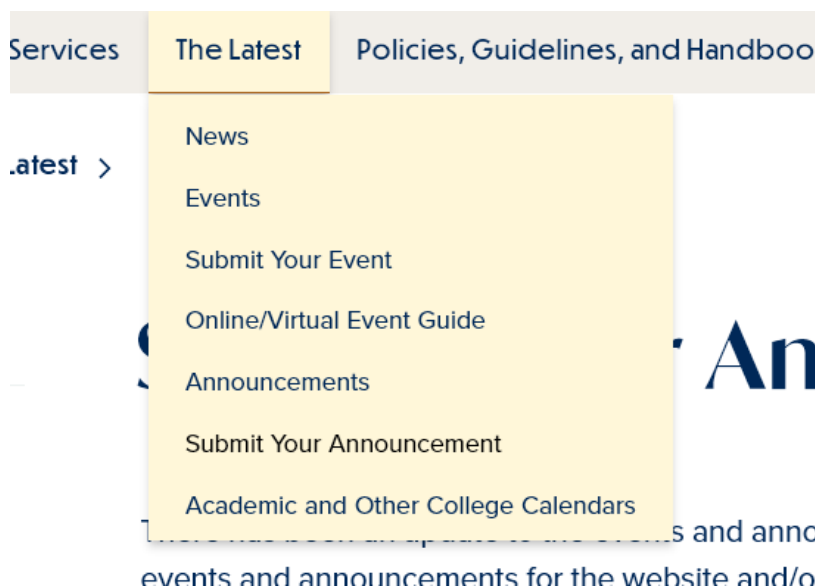

[Announcement](#)

[Event](#)

## Non-Drupal Users – Try either of these ways to get to the form

Navigate to <https://brynmawr.edu/inside/events/submit> and fill out the form.

Navigate to Inside Bryn Mawr, then hover over The Latest and select Promote Your Event from the dropdown. Fill out the form.

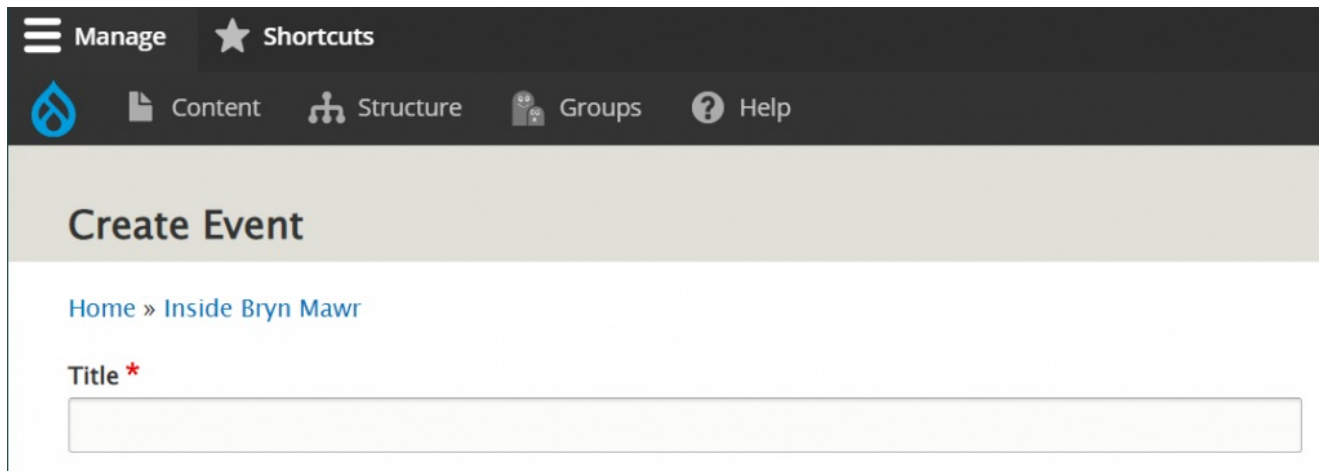

## Filling in the form for Drupal Users (logged in):

### Event Title

Use an effective title, since this will display both on the website and in the Daily Digest. It is better to be concise whenever possible. If the actual name of the event is more than a handful of words, consider using a

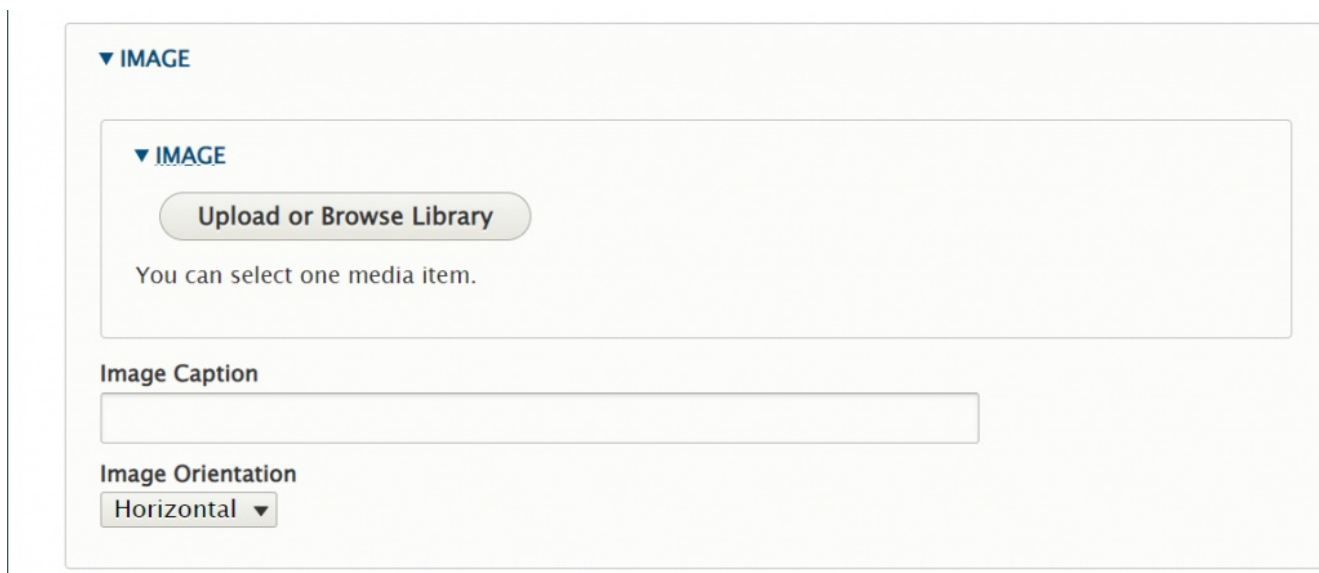

shortened title in this field and the expanded version in the body of the page.

The screenshot shows the top navigation bar with 'Manage' and 'Shortcuts' tabs, and icons for 'Content', 'Structure', 'Groups', and 'Help'. Below the navigation bar is a header section titled 'Create Event'. Underneath the header is a breadcrumb trail: 'Home » Inside Bryn Mawr'. The main form area has a label 'Title \*' followed by a text input field.

## Image

The Image field is collapsed by default since it is optional. If you wish to add an image, please make sure you expand both Image fields as the outer field is for caption and orientation and the inner Image field is for actually uploading or embedding an image

The screenshot shows the 'Image' field expanded. It has a collapse icon and the label 'IMAGE'. Inside the expanded field, there is another collapsed section labeled 'IMAGE'. This inner section contains a button 'Upload or Browse Library' and the text 'You can select one media item.' Below the inner section is a text input field labeled 'Image Caption'. At the bottom of the expanded field is a label 'Image Orientation' followed by a dropdown menu currently set to 'Horizontal'.

## Date/Time

This is defaulted to no date/time. Please use the date picker to choose the correct date for your event. Please be sure to enter an end date/time for your event.

## Duration

Duration field is defaulted to 1 hour, so if your event is less or more time, please select the most appropriate choice.

**DATE \***

Time should be entered into the field in HH:MM AM/PM format. The pop-up datepicker tool may not work consistently across all browsers.

   to ☐ All day

Both the time and date fields are set to be manually filled in as:

- mm/dd/yyyy – for the Date
- hh:mm AM – for a morning time
- hh:mm PM – for an afternoon/evening time.

In some browsers you may encounter a calendar and clock icon that will allow you to use the picker if you click on the icons in the appropriate field. If you don't see the icon, just put your cursor in the field and start typing the Date and Time manually.

The image shows a portion of a web form for event registration. At the top, there is a 'DATE \*' section with two date pickers. The first picker is set to 'mm / dd / yyyy' and has a calendar icon. The second picker is set to '---:-- --' and has a clock icon. A dropdown menu is open for the second picker, showing a grid of time options. The first row of the dropdown is highlighted in blue and contains '01', '52', and 'PM'. The subsequent rows are '02 53 AM', '03 54', '04 55', '05 56', '06 57', and '07 58'. Below the date section, there is an 'All day' checkbox. Further down, there is an 'Event Location \*' section with a dropdown menu showing '- Select a value -'. Below that is an 'Event Location Details' section with a text input field. At the bottom, there is an 'Event Type \*' section. The text 'room number, special spac' is partially visible on the right side of the form.

## Body

The next field is an Advanced WYSIWYG where you can put images, videos, blockquotes, links, as well as bulleted and numbered lists.

Information in this field will only display on the Event Detail Page.

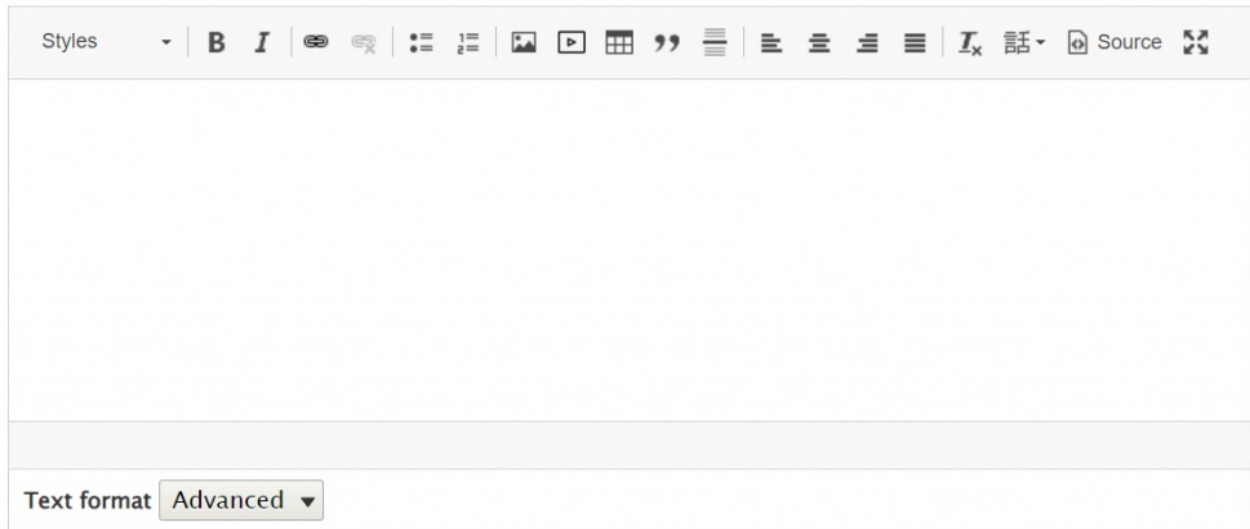

Use this to add more information for the event. Do not repeat the blurb information as it will then appear twice on the Event Detail Page.

## Zoom Links

If you add a Zoom URL link in the Body field, please be aware that it must be either a registration link or a recording link.

Non-registration or non-recording Zoom links will throw an error on the screen and not allow you to save the event.

Body

A WYSIWYG editor interface for the 'Body' field. It features a top toolbar with various icons for text formatting (bold, italic, underline, strikethrough, link, unlink, list, indent, outdent, align, justify, text color, background color), image insertion, video insertion, table insertion, quote, and source code. Below the toolbar is a large text area for editing. At the bottom, there is a 'Text format' dropdown menu currently set to 'Advanced'.

This text will appear on the Event detail page.

## Tags (syndication)

This next field is how you can syndicate your event across our website. By selecting tags that are relevant for your event it can be pulled into other pages by referencing that specific tag through an Event 3-Up Flexible Content Item on that page.

This Tag field is dropdown field, so you can scroll through the list to see some tags from which to choose.

If Tags confuse you, but you think you may need one, please consult with Communications about their help with tags for your particular event submission.

The image shows a screenshot of a web form with a section titled "TAGS". Below the title is a dropdown menu that is currently open, displaying a list of tags. The tags include: "- None -", "Admissions", "-Admissions Tips", "-Bryn Mawr POVs", "-Financial Aid", "-From the Dean", "-First Gen", "-Life @ Bryn Mawr", "-Student Voices", "-Transfer Students", "Posse", "Information Session", "ARCH", "College Communications", "GSAS Faculty", and "New Faculty 2023". To the left of the dropdown menu, there is a button labeled "Add" and a checkbox labeled "Do NO".

You can add another tag by clicking the Add another item button.

The Tags field is a setting for Announcements, Events, News and Story that helps the website categorize the content for display.

The **Display Theme(s)** (see below) and Tags work together to pull the desired content into a display on a page.

## Daily Digest Opt In/ Opt out

Default is for it to appear in the Daily Digest (opt in)

☐ Do NOT publish in the Daily Digest

### To Opt Out of Daily Digest Publication

You can also choose **not** to publish your event in the Daily Digest by checking the box next to that selection. If you check the box, the only thing left to do is press Save.

## Display Themes

If you are filling out an Event Submission form as a logged in Drupal user, you will see a "Theme(s) & Options" link on the right-side of the screen. If you expand it, you will see there are several choices you can make for where this event can display.

### ▼ THEME(S)

#### Display Theme(s)

- ☐ Marketing
- ☒ Inside Bryn Mawr
- ☐ Graduate School of Arts and Sciences
- ☐ Graduate School of Social Work and Social Research
- ☐ Postbaccalaureate Premedical Program

These are themes where content can be set to additionally appear, in feeds/displays set up for this purpose.

***The Display theme is a setting that*** is set for Announcements, Events, News and Story. This ***tells the website that this piece of content is allowed to be displayed in all the themes that are selected in this field***, whether as a direct piece of content (like a Basic Page or News) or via a Flexible Content Item that has one of these Display themes set.

*Display Theme for Events is default set to Inside Bryn Mawras* that is the Theme where the Event Listing Page hub lives <https://www.brynmawr.edu/inside/latest/events>

Display Theme(s) dictate what other themes your Event can be displayed in – this includes being displayed in Event 3-Up Flexible Content Item that may exist on Basic Pages, etc.

So, if you want your Event to appear in GSAS themed pages that pull in an Event 3-up with the Tag STEM this event would have to have “STEM” in the Tag field and also have the Display Theme additionally set to Graduate School of Arts and Science (GSAS).

## Submitting the Event

You will notice that there are two disabled checkboxes that appear immediately before the Save button. These boxes are for Administrative Use Only as your Event gets checked and approved for accuracy and then published.

☐ Conference & Events Approved

☐ Publish

You can not change the Publish status.

**Save**

**Press Save**

## What to Expect Upon Pressing the “Save” Button:

- You will receive a message stating your event has been submitted for review.
- The event will remain unpublished until Communications can review it.
- If any additional information is necessary, you will be contacted by a member of the Communications Team.
- When your event is approved and published, you will be contacted by Communications.
- Your event will appear on the Events Landing Page on the date of your event.
- If you did not opt out of advertising in the Daily Digest, your event will be advertised on the day of the event and on the dates you selected in the Daily Digest.
- If you choose to add an Event 3-up Flexible Content Item to a page in your section, your event will appear there only if you have chosen the tag you added to your Event upon its creation.

## Confirmation Message

Once you press **SAVE**, you will be taken back to the Main Events Listing Page (/inside/latest/events). There will be a confirmation success message appearing at the top of the page that looks something like this:

✓ An email notification has been sent to [akaldrovic@brynmawr.edu](mailto:akaldrovic@brynmawr.edu)

Event [AK Test Event - WS hybrid off](#) has been created.

Thank you for completing the Event/Daily Digest submission form!

You should receive a confirmation email with the details of your submission for reference. Before publication, all submissions undergo a review and approval process by Conferences and Events and College Communications. You may be contacted by email as part of that process.

Once submitted, event details cannot be changed using the form. If you need to alter any details of your submission, please contact [communications@brynmawr.edu](mailto:communications@brynmawr.edu).

Please note that you can NOT edit your Event after you submit it. You can check it to see that your Event information is correct in multiple ways. If you do notice that you made a typo or put in wrong information, you can reach out to Communications via email.

## Checking your Event for Accuracy

### METHOD ONE - Checking the Unpublished Event page

If you click on the title of your Event in that green confirmation message that you see after you submit the event, you can view the unpublished event and check it for errors. You will know it is unpublished because the background will be pink, as seen in the screenshot. You should double check the date, time and location.

✓ An email notification has been sent to [akaldrovic@brynmawr.edu](mailto:akaldrovic@brynmawr.edu)

Event [AK Test Event - WS hybrid off](#) has been created.

Thank you for completing the Event/Daily Digest submission form!

You should receive a confirmation email with the details of your submission for reference. Before publication, all submissions undergo a review and approval process by Conferences and Events and College Communications. You may be contacted by email as part of that process.

Once submitted, event details cannot be changed using the form. If you need to alter any details of your submission, please contact [communications@brynmawr.edu](mailto:communications@brynmawr.edu).

Please note that you can NOT edit your Event after you submit it.

As an anonymous Event Submitter, you will also not be able to view anything that is unpublished.

You can check it to see that your Event information is correct by reviewing the confirmation email that you

receive. If you do notice that you made a typo or put in wrong information, you can reach out to Communications via email.

## Check your Event for Accuracy

Await email confirmation that your Event has been published.

Once you receive your email confirmation, you should check all the information for typos or inaccuracies. If you do notice that you made a typo or put in wrong information, you can reach out to Communications via email.
