

# Drupal - Special Role: Homepage content in Drupal

Last Modified on 11/13/2023 3:20 pm EST

**Note: The homepage content types are only available to Site Editors and people with the Homepage Editor role.** If you have suggestions for homepage content, please contact College Communications.

Please visit this link to view the [Special Role Session video](#).

## Homepage Editor

This is a *supplemental role* designed specifically for **Web Stewards who administer Graduate or Postbac websites** within brynmawr.edu. If you are in GSAS, GSSWSR or Postbac and feel you need this permission level, please contact Communications [communications@brynmawr.edu](mailto:communications@brynmawr.edu) to discuss your needs.

## Homepages

There are Homepages for:

- The main <https://www.brynmawr.edu> page,
- GSAS (<https://www.brynmawr.edu/gsas>),
- GSSWSR (<https://www.brynmawr.edu/socialwork>)
- Postbac (<https://www.brynmawr.edu/postbac>) homepages.

You can see all of them if you Click on Content in the Admin Toolbar

Or visit <https://www.brynmawr.edu/admin/content>

Once there, select Content Type=Homepage and press the Filter button. If you are a **Homepage Editor**, you will only see *Edit* buttons next to the Homepages that you are allowed to edit.

Here we see the fields available: Heading, Introduction, CTA, story, story title (this is something like Academic Excellence, to help promote certain categories), quote alignment, a The Details section that helps you provide more links and additional text to further enhance this content item.
