Welcome to the Bryn Mawr Club of The Triangle, NC Website!

We are very excited to be launching our new club website, graciously hosted by Bryn Mawr College's Blog server (hence the interesting web address and format). We hope however that it will be a quick and easy way for Triangle area alumnae to find out what is going on with the club.

We ask for your patience as we work to increase the content and get out some of the kinks.

If you need more text formatting options, you can click the "Kitchen sink" button (as in "everything but the...") to get big headings, indenting, underlining and more!
To add a link to a Facebook page or email address, highlight the text you want to make into a link, then click the link button:

To link to a Facebook page or other website address (any address starting with http://), paste the address into the "URL" box and click the Return icon.
To link to an email address, type "mailto:" followed by the email address (for example, "") in the "URL" box and click the Return icon.

Once you are done updating your contact information, click "Update".

Want to see your changes? Click "View post" in the yellow box that appears, and you will be taken to your new and improved post!
