

Moodle: Hide grades from students

Last Modified on 01/09/2025 4:02 pm EST

Hiding a grade item or category prevents students from seeing the grade and any feedback an instructor has provided.

Before you start, you may need access to the following:

- an **Instructor of record** or **Other editing teacher** role in a Bryn Mawr Moodle course

Hide grades

1. Open your Moodle course.
2. Toggle the **Edit Mode** switch on (if needed).
3. Click **Grades** in the course menu.
4. Change the **Grader report** drop-down menu to the **Gradebook setup**.
5. Find the grade item or category you wish to hide.
6. In the **Actions** column, click ⋮ (Check actions), and choose **Hide**.
7. Click **Save changes**.

When you are ready to reveal grades to students, repeat the steps above, but choose **Show** in step 6.
