

Macmillan (Achieve, LaunchPad): Link to a Moodle course

Last Modified on 08/02/2024 3:42 pm EDT

Instructors who have adopted course materials on one of **Macmillan's learning platforms** (e.g., **Achieve** or **LaunchPad**) can link it to Moodle course to add content from the platform to the Moodle course page and/or gradebook.

Before you start, you will need:

- an **Instructor of record** or **Other editing teacher** role in a Moodle course
- an **instructor account** for the Macmillan tool you want to use
- to have **set up your "course"** within the Macmillan tool

Add a Macmillan activity to a Moodle course

1. Open your Moodle course and click **Turn editing on** (if it isn't on already)
2. Click **+ Add an activity or resource**
3. Click the **Activities** tab, then click **External tool**.
4. Enter an **Activity name**, then choose **Macmillan LTI Tools** from the **Preconfigured tool** menu as shown below.

5. Click **Save and Display** at the bottom of the screen to create the activity and launch it.

Connect the activity to a Macmillan Class

1. In the **Course Tools** menu select the **Connect with ...** option that matches the Macmillan tool you want to use.

Is your product missing? Please contact the Help Desk to request that we add it to Moodle.

2. **Sign in using the name and email address you used to create your Macmillan instructor account**, if you aren't signed into it automatically.
3. **Find the Macmillan course you want to connect with and click Associate.**

The screenshot shows the Macmillan LaunchPad interface. At the top left is the LaunchPad logo with the text "macmillan learning". Below the logo, there is a section titled "Want something new?" with the text "Browse our available course spaces and request instructor access." and a link "View Macmillan Learning Catalog". To the right, there is a section titled "Choose a course to associate" with the text "Associate any of the following Macmillan Learning courses with your Moodle course—or create a new course or copy an existing one." and a "Refresh" button. Below this is a table of courses with columns for "Course Name", "Created", "Course ID", and "Course Tools". The first row is highlighted with a "New!" tag and shows "LaunchPad for Psychology (Six-Month Online) 12e" by David G. Myers and C. Nathan DeWall. The second row shows "Myers/DeWall, Psychology 12e LaunchPad for Moodle" with a date of 11/27/2019 and Course ID 12586485, and its "Associate" button is highlighted with a red box. The third row shows "Myers/DeWall, Psychology 12e for D2L" with a date of 11/18/2019 and Course ID 12573633, and its "Associate" button is highlighted with a green box. A "Create New Course" button is also visible.

Course Name	Created	Course ID	Course Tools
Myers/DeWall, Psychology 12e LaunchPad for Moodle	11/27/2019	12586485	Associate
Myers/DeWall, Psychology 12e for D2L	11/18/2019	12573633	Associate

Not seeing your course? See [Macmillan's troubleshooting suggestions](#).

4. Verify you made the right selection and click **Yes, Associate This Course**.
5. You'll see a **Success!** message when the connection is made. Click **OK** to close this window.

You should now see a set of [instructor course troubleshooting and support tools](#) (Diagnostics, Roster Information, etc.) in the content window. **Please note:** students see **different** tools for troubleshooting their own accounts and getting technical support when they open this activity.

Additional Support

See Macmillan's [instructor and student guides for your product](#) on the [Macmillan Learning Support site](#) for detailed information on how to use it and avenues for further support. Although LITS can help you with Moodle's Macmillan integration, we do not administer Macmillan platforms and can't provide support for them.

Note: For **Macmillan's Moodle-related articles**, be sure you are reading the **deep integration** versions. Some information in the "basic integration" guides will not apply to the connection you make.
