

College computers: Accessibility Settings

Last Modified on 08/13/2024 2:52 pm EDT

Accessibility settings on a device allow you to modify how you can see, hear, and enter information on the device in order to make it easier to use.

For **Windows**, read this guide on how to access the [Accessibility settings on college Windows computers](#).

For **Mac**, read this guide on how to access the [Accessibility settings on college Mac computers](#).

For **iPads**, read this guide on how to access the [Accessibility settings on college iPads](#).
