

# BIONIC: User interface guide

Last Modified on 08/04/2022 11:00 pm EDT

This article reviews BIONIC's redesigned user interface which features a new header located at the top of all pages.

## See also:

- [BIONIC: View Budget Reports](#)
- [BIONIC: Data Standards for names and more](#)

## Header

- **Home:** access to the **first page** shown when signing in
- **Search:** access the [search bar](#)
- **Actions:** access to **help** and **logout**
- **Compass:** access to [more features](#)

## Homepage navigator

- organizes content for Alumni, Employees, Faculty, and Students
- appears in a **mobile-friendly** tile layout
- users are shown an **appropriate homepage** depending on their **role**
- a **down arrow** indicates that you have **multiple roles**

## Search

- quickly access **any content** for which you have **security access to**
- particularly useful for **administrative users** (e.g., process monitor, query)

**Bryn Mawr Students**

**New Search**

**Category**

Campus Solutions Local Node Navigator (3)

### View Search Results

3 results for keyword: "query viewer"

**Query Viewer**  
Review existing queries.  
Application: Campus Solutions Local Node

**Connected Query Viewer**  
Run Connected Query and view XML being generated  
Application: Campus Solutions Local Node

**Query Report Viewer**  
Run Query-based BIP reports real-time. View in a window.  
Application: Campus Solutions Local Node

## Navigator

Navigator

Navigator

The preferred method of navigation for content outside of the homepage navigator. All functions that administrative users have security access for can be found here.

## Classic home

This will return you to the **classic left-hand navigation**. This method of navigation **may be removed** in the future, and we encourage the use of the **Navigator** and **global search**.

## Questions?

If you have any additional questions or problems, don't hesitate to reach out to the **Help Desk!**
