Moodle: Add course blocks

Blocks on Moodle display resources that are often used by both instructors and students. This article describes **how to Add Course Blocks to a Moodle site**.

Before you start, you will need:

- An **Instructor of Record** or **Other Editing Teacher** role in a Bryn Mawr Moodle course.

Adding a Course Block

1. Log into Moodle ⧉ and open your course page.
2. On your Moodle course page, toggle the **Edit Mode** on.
3. On the right side of the page, click on the > to **Open block drawer**.
4. When opened, click on **+ Add a block** to see all of the block options.
5. Scroll and **click on your desired block**. Once it is chosen you will be brought back to the Open block drawer and will see your chosen block now added to the right side navigation.
6. Repeat steps 3-4 to add all desired blocks to the block drawer navigation.
