Moodle: Add blocks to the block drawer

Last Modified on 08/08/2025 10:08 pm EDT

Blocks add functionality to the collapsible **Block drawer** on the right side of a Moodle page. Some blocks, such as the **Panopto** block, are visible to anyone who can view the page. Others, such as **Quickmail** or **Sharing cart**, are visible only to teachers.

Before you start, you will need:

- A BMC Moodle account to add a block to your **Dashboard.**
- An **Instructor of record** or **Other editing teacher** role in a Moodle course to add a block to the course page.

Add a block

1. Navigate to the Moodle page where you want to add the block.
2. Toggle **Edit mode** on.
3. Click **>** (Open block drawer) on the right side of the page.
4. Click **+ Add a block**.
5. Choose a block.

Hide or delete a block

1. Navigate to the Moodle page where you want to delete or hide a block.
2. Toggle **Edit mode** on.
3. Click ⋮ (Actions Menu).
4. Choose ◎ **Hide <block name>** or 🗑 **Delete <block name>.**
5. Confirm if you chose delete.
