Eligibility questionnaire

Use the questionnaire below to determine **if you need to complete the InfoSec training** this year!

United Educators site

Access the site

1. Navigate to the United Educators login page⧉

2. Login with your **College email** and **United Educators account password**

> **If you're new to the InfoSec program**, your account is using one of the default passwords:
> `BMC2024!InfoSec` or `Brynmawr2024!`

> **If you've completed the InfoSec program before**, your password is something you set previously. This password is not tied to your College account or College password. Having trouble logging in? Reset your password.

Access the training

1. Follow the instructions above to login
2. Scroll down to **Not Started Courses**

Not Started Courses

	Data Security: Mobile Devices and Third Party Websites
Not started	EN | E-learning | 10m 00s

Hi _____@brynmawr.edu,

If you asked to reset the password for your account, click on the following link:

https://learn.ue.org/learn/user/reset-password/_____

If you have not requested to reset your password, ignore this email. Do not worry, your account is still protected.

Reply | Forward

7. Set a **new password**, with the following requirements:
   - At least 6 characters
   - Contains both letters and numbers
   - Cannot contain common words or simple sequences (e.g., "password", "12345")
   - Different than your username
   - Different than the last 3 passwords used
8. Click **CHANGE PASSWORD**
9. Click **Sign in**
10. Login with your **College email** and **new password from Step 7**
