

Credo: Add information literary materials to a Moodle course

Last Modified on 10/15/2025 1:52 pm EDT

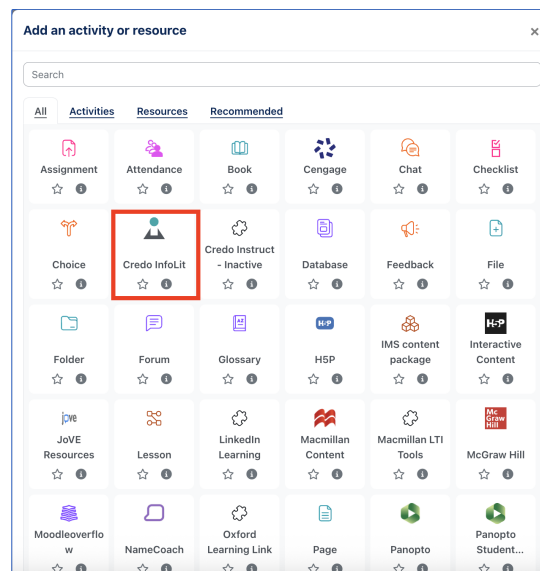

Credo is a tool for sharing educational materials related to information literacy. This article explains how to **add Credo to your Moodle course** in order to give your students vital skills needed for finding and evaluating sources. 📖

Before you start, you will need:

- An **Instructor of record** or **Non-editing teacher** role in a Bryn Mawr Moodle course

Add Credo resources to Moodle

1. Log into your Moodle course and switch **Edit Mode** on.
2. Click **+ Add an activity or resource** in the section where you want to put Credo materials.
3. Click the **All** tab, then click **Credo InfoLit**.

4. A new page will open that's titled **Add External Tool**. Click the **Select Content** button.
5. A new pop-up menu will open showing the different Credo content available to add to your course. Check the boxes of what you want to add then click **Submit**.
